Purpose: Candidacy.

Madame Dr. Christine DENIS,

Being a great opportunity to integrate an international network of professionals that aim worldwide harmonization of the sterilization departments and of the decontamination practices, it would be an honor to be part of the Executive Board of the WFHSS for the next 4 years, using my organizing skills, acquired experience, management control and my working ability.

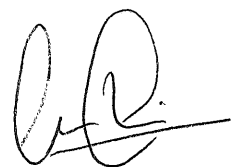

I hereby inform you that I have a bachelor's degree in Pharmaceutic Chemistry, issued by the University of Córdoba. I specialized in Sterilization and Biomedical Devices at the Juan Agustín Maza University, in the City of Mendoza, Argentina. In 2010, I got the certification of the Certification Board for Sterile Processing and Distribution (CBSPD) of the United States of America and in 2012, I got the degree in sterilization and medical devices at the University of Grenoble in Lyon, France.

My main expertise is the implementation of sterilization procedures in public hospitals in the provinces of Cordoba and Neuquén in Argentina and 2019 at the Center Hospitalière Privée Saint Grégoire in the Brittany region (France) with 35 sterilization agents in charge; moreover, I am a reference in sterilization of the Ministry of Health of Neuquén.

Between 2011 and 2012 I performed 17 internships in the sterilization centers of renowned hospitals in France and Switzerland. In 2015, I lectured at the World Sterilization Congress in Lille; in 2012, I attended the annual Sterilization Congress of the French Sterilization Association (Société Française des Sciences de la Stérilisation) in Lyon and in Biel/Bienne, Switzerland in June 2017 and 2018 and lecturer at the Pan American Sterilization Congress 2019 in Argentina. I also attended the annual sterilization congresses in Argentina.

I am very active in managing varied sterilization procedures, developing standards and improving organizational processes, and constantly looking for new learning opportunities and apply what I have learnt in order to achieve better results. I am delighted to state all my motivations so as to integrate the executive Board of the WFHSS.

Yours faithfully,

Carolina Chiodini
