

Declaration of Intent

Hervé NEY

Treasurer of WFHSS since the last elections, I am running for election as a member of the Executive Committee to continue the work of the committee.

We have known each other since 2015, and it has been a great experience for me to have built some strong friendships across countries and continents.

It is always a great pleasure for me to meet and discuss with you the topic that is close to our hearts: the reprocessing of medical devices.

My wish is to continue to keep the association's accounts, in complete transparency, in compliance with the standards in force, and to define the new orientations together with the new team, in a spirit of listening and sharing.

The associative commitment requires availability and a collective approach.

Learning and transmitting together: we are always stronger when we are united.

As President of the Swiss Sterilization Society, I look forward to welcoming you to Geneva next year for the World Congress.

I thank you for the confidence you showed in me during the last elections and hope that you will wish to renew it.

Geneva, 06.08.2020

Hervé NEY

Treasurer of WFHSS
