

Declaration of Intent

Hervé NEY

Treasurer of WFHSS since the last elections, I am running for election as a member of the Executive Committee to continue the work of the committee.

You re-elected me two years ago and I wish to continue the mandate you gave me to represent your interests.

I have been in charge of the accounts since 2015 and I had inform you every year in full transparency of the positive evolution of the financial management of the WFHSS.

In this context, the next objectives of the Executive Committee can be financed.

Why should I continue to be involved in the Executive Committee?

- Because sharing information, ideas and skills is in my DNA,
- Because this is a great, friendly and talented team at your service,
- Because we have so much to do for full members whose national associations cannot afford the costs of participating in WFHSS events, and we have to support these associations,
- Because Switzerland's neutrality has always been beneficial in international exchanges 😊

I thank you for the confidence you showed in me during the last elections and hope that you will wish to renew it.

Hervé NEY

Treasurer of WFHSS
