

Mag. Dr. Tillo Miorini

Juridically accredited expert for
hospital hygiene and microbiology
Ursprungweg 160
A-8045 Graz

DECLARATION OF INTENT

Dear members of the WFHSS Board,

My name is Tillo Miorini. I am a doctor of microbiology working at the Institute for Applied Hygiene in Graz, Austria, which is specialized in hospital hygiene and reprocessing of medical devices. As you can see on my CV I am member in some national and international technical committees of CEN and ISO dealing with disinfection and sterilization.

As well I am the president of the Austrian Society for Sterile Supply (ÖGSV) and teaching in the training courses for reprocessing since 1998. As member of the WFHSS Education-Guideline group, I have been working on the Level 1 and 2 scripts, the basics of which have been donated to the WFHSS by the Austrian Society..

I have been a member of the Executive Committee of the WFHSS as Publication Officer in the past 5 years and developed and maintained the new website of the WFHSS.

I am applying for a second period because I would like to continue my work with the website as well as contributing my experience and knowledge to future education and guideline projects.

Best regards

A handwritten signature in black ink, enclosed in a thin black rectangular border. The signature is stylized and appears to be 'T. Miorini'.
