

## Sponsorship Letter

World Federation of hospital sterilization sciences

Present

August 14<sup>th</sup> 2024

Dear sirs,

We are pleased to greet you and inform you that according to the new application opened to enter the executive committee of WHFSS period 2024 - 2028 our organization has decided to postulate and support the participation of Mrs. Cinthia Vera Fuentes, who currently serves as President of INDE. We believe that Cinthia's contribution with her interest, energy and love for hospital sterilization sciences will be of great value to the achievement and progress of WFHSS objectives globally.

Hoping that our application has a favorable reception

Yours sincerely
