Executive Committee

WFHSS

Letter of Designation on behalf of Donna Belle Dador

Please accept this letter of designation in support of the application by Miss Donna Belle Dador for the opportunity to be elected to the executive committee of the WFHSS in upcoming elections for new members.

I have known Donna for some years now in a professional capacity and in my role as President of the New Zealand Sterile Sciences Association. Donna is well qualified to take on an executive committee role within the WFHSS and will bring a fresh approach as well as represent the regions of the southern hemisphere including New Zealand and the Pacific Islands.

Donna holds a Bachelor's degree in Nursing, also a Level 7 Health Services Management Diploma and has completed the NZ Level 5 Diploma in Sterilizing Technology.

Donna is a sitting executive committee member of the New Zealand Sterile Sciences Association. In her working role she holds the position of National Sterile Services Advisor for the private Southern Cross Hospital group, which has numerous hospitals across New Zealand. This is a great testament to her experience and passion for the growth and development of the profession and of her fellow colleagues within the Southern Cross group.

Donna has also been active as one of the New Zealand representatives on APSSIC- Asia Pacific Safe Surgical Implant Consortium and bringing the knowledge and skills gained within that consortium back to New Zealand.

I wish Donna all the best in this endeavour

Yours sincerely

Shelagh Thomas

President

New Zealand Sterile Sciences Association.
