

CURRICULUM VITAE

PERSONAL INFORMATION

Name	LE THI ANH THU
Sex	Female
Date of birth	15 th September 1963
Place of birth	Da Nang
Nationality	Viet Nam
Marital Status	Married

ACADEMIC QUALIFICATIONS

Since 11/ 2011	Professor of Medicine, Internal Medicine and Clinical Epidemiology
2002-2005	PhD degree in Clinical Epidemiology of Communicable Diseases - University of Newcastle, NSW, Australia
2000- 2001	University Diploma in Community and Public Health- Clinical Epidemiology - University of Bordeaux 2, French
1996-1999	Master degree in Internal Medicine Specialist - University of Medicine of Ho Chi Minh City, Viet Nam.
1996-1997	Fellowship as Intern Infectious Diseases Doctor at Nice Hospital, Nice, French (FFI -faisant fonction d'interne- program)
1993 –1995	Bachelor Degree in English - University of Ho Chi Minh City, Viet Nam
1980-1988	Diploma of Medicine - Hue University of Medicine, Viet Nam.

CURRENT POSITION

2023- Present	Head of Hoan My Academy
2018 – 2023	Group Chief Medical Officer, Hoan My Medical Corporation
2010 -present	Chief, Department of Infection Control and Epidemiology, Pham Ngoc Thach University of Medicine
2010- present	Infection Control Consultant, Ministry of Health
2013 -present	President, Ho chi Minh city Infection Control Society
2021- present	President, Viet Nam Infection Control Society

PAST POSITIONS

1999-2018	Director, Department of Infection Control, Cho Ray Hospital, Ho chi Minh city, Viet Nam
1990 – 1999	Senior physician, Department of Infectious diseases, Cho Ray hospital, Ho chi Minh city
1996-1997	Intern Physician, Nice Hospital, Nice, French
1988 – 1989	Physician of C Hospital, Da Nang

OTHER PROFESSIONAL ASSOCIATIONS

2010 -present Board Member of Society of Medicine and Pharmacy Viet Nam
Member of Asia Pacific Infection Control Society
Member of Society of Hospital Epidemiology American
Chairwoman of APSIC 2019

CURRENT NATIONAL ROLES

Member of Infection Control Committee of Ministry of Health, Viet Nam
Member of Infection Control Committee of Department of Health of Hochiminh city
Member of national writing group for Policies, Guidelines, Procedures related to Infection Control , Ministry of Health, Viet Nam

NATIONAL AWARDS

- Meritorious doctor, awarded by the President of Vietnam, decision number 1375/2005/QĐ-CTN dated 16/11/2005
- People's doctor, awarded by the President of Vietnam, decision number 366/QĐ-CTN dated 24/02/2017
- Labor medal Level 3, awarded by the President of Vietnam, decision number 29/QĐ-CTN dated 10/01/2012
- Labor medal Level 2, awarded by the President of Vietnam, decision number 248/QĐ-CTN dated 22/02/2018
- 2 Times received the Prime Minister Certificate of Merit, decision number 371/QĐ-TTg dated 20/3/2009; decision number 278/QĐ-TTg dated 25/2/2022
- 3 times received the title "Medical Emulation soldier" awarded by Ministry of Health, decision number 2346/QĐ-BYT dated 30/6/2009; decision number 3182/QĐ-BYT dated 28/8/2013, decision number 2248/QĐ-BYT dated 31/5/2016
- 8 times received Ministry of Health Certificate of Merit, decision number 374/QĐ-BYT dated 18/02/2005, decision number 2686/QĐ-BYT dated 28/7/2010, decision number 1250/QĐ-BYT dated 26/4/2011, decision number 926/QĐ-BYT dated 23/7/2012, decision number 667/QĐ-BYT dated 24/02/2014, decision number 2589/QĐ-BYT dated 25/6/2015, decision number 3265/QĐ-BYT dated 14/7/2017, decision number 1544/QĐ-BYT dated 26/4/2016
- Kova Prize, innovation field, received in 2016

INTERNATIONAL AWARDS

- Oxoid Infection Control Team of the Year Awards. Received in 15th May 2007
- SHEA International Award, received in 6 th April 2008

LANGUAGE SKILLS

- Vietnamese (native languages)
- English (reading, writing well, listening, speaking rather well)
- French (reading, writing, listening, speaking rather well)

INTERNATIONAL INVITED PRESENTATION

1. “Hospital acquired pneumonia and risk factors at the Intensive care unit, Cho Ray hospital”. Oral presentation. International seminar on infectious diseases and nosocomial infection control organised in Hanoi 3/2003

* Please note that sometimes my publication are in the name “Le TAT“ and others “LTA Thu”

2. "Surgical site infections at Cho Ray hospital" Oral presentation. APSIC 2nd International Congress of the Asia Pacific Society of infection control
3. "Situation of occupational HIV exposed health care workers at Cho ray hospital". Poster presentation. International HIV/AIDS conference at Bangkok
4. "The impact of a bedside hand sanitizer program on surgical site infections at a tertiary care hospital in Viet nam" Oral presentation. APIC 2005 –" Charting the course of infection control" organised in Maryland Baltimore, USA, 19 –23 June 2005
5. "How Vietnam is preparing for the care of patients with avian influenza" Oral presentation. APIC International Focus group- APIC 2005.
6. A cost analysis of a bedside hand sanitizer program on surgical site infections in neurosurgical patients in Vietnam " - Oral presentation. APSIC International Congress of the Asia Pacific Society of infection control, Hong Kong 2006.
7. Invited lecturer in WHO Infection Control Training Course for Rapid Response Teams organised in Bangkok Thailand 2006.
8. "Impact of a multi-component infection control program in reducing hospital - acquired pneumonia at a tertiary hospital in Vietnam". Poster presentation in the 3rd international congress of the Asia Pacific Society of Infection Control 8th – 11th July 2007, Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia.
9. "Antibiotic Resistance Of Pathogen Causing Hospital Acquired Infections In Vietnam" Poster presentation at the 18th Annual Scientific Meeting of the Society for Healthcare Epidemiology of America (SHEA), April 5-8, 2008.
10. "Surgical Site Infections in southern provincial hospitals in Vietnam". Oral presentation at the 24th Conference of the Japan Association for International Health, August 5-6, 2009.
11. "Antibiotic use in central and provincial hospitals in Vietnam". Oral presentation at the 5th International Congress of the Asia Pacific Society of Infection Control. Melbourne 8-10 Nov 2011.
12. "Effectiveness of oral care by toothbrush in preventing nosocomial pneumonia. Poster presentation at the 5th International Congress of the Asia Pacific Society of Infection Control. Melbourne 8-10 Nov 2011.
13. "Human waste disposal as the risks of healthcare associated infections" Invited speaker at the 9th International Congress of the Asia Pacific Society of Infection Control. Da Nang 19-22 Mar 2019.
14. "Challenges in establishing antimicrobial stewardship program in low and middle income countries and efforts for success". Invited speaker at the 9th International Congress of the Asia Pacific Society of Infection Control. Da Nang 19-22 Mar 2019.
15. "Strengthening Triage Processes During COVID-19". Invited speaker in WPRO IPC webinar series May 2020
16. "Hospitals responding to COVID-19 . Viet nam's experiences". Invited speaker in Medical Associations of South East Asia Nations workshop Dec 2020.
17. "Road to zero cases - Viet nam". Invited speaker in Medilab Asia and Asia Health Oct 2020
18. "Prevention and control infection in Vietnam - Efforts on improving disinfection and sterilisation" Invited speaker in Patient safety & Quality conference: Disinfection and Sterilization, 10-12 June 2020 Thailand
19. "What are the perceived future requirements to prevent COVID-19" Invited speaker for Panel discussion in Virtual Asia Health Conference on Sterilisation & Decontamination. 27 Sep 2021
20. "Changing mindsets and behaviour for optimal infection control compliance at patient safety" Invited speaker in annual Patient Safety Virtual event 4 – 6 Nov 2021 (online).

21. "Roles of Nurses in Infection Prevention and Control to Respond to Emerging Infectious Diseases". Invited speaker in the 4th Asian Congress in Nursing Education 17-18 Dec 2021
22. "Quality improvement for prevention and infection control in Vietnam - Efforts in improving disinfection & sterilization" Invited speaker in the Medlab 19 - 21 October 2022
23. "Prevention of Infections with Multidrug-Resistant Organism in Severe COVID-19 Patients". Invited speaker in APCCMI 6-8 July 2023
24. "Re-intensifying antimicrobial stewardship: a must for all". Invited speaker in the Medlab and Asia Health 16-18 Aug 2023
25. "Hospital Preparedness for Responding to Infectious Diseases Outbreaks". Invited speaker in the Medlab and Asia Health 16-18 July 2024
26. "National CSSD award- an attempt to improve sterilization quality". Invited speaker in the Medlab and Asia Health 16-18 July 2024
27. "Innovations to improve and sustain hand hygiene compliance" Invited speaker in the APSIC 2024, 25-28 July 2024
