Dear Dr. Christine Denis,

I am writing to wholeheartedly nominate Ass.Prof Le Thi Anh Thu, MD, PhD, for a position on the Executive Committee of the World Federation for Hospital Sterilization Sciences (WFHSS).

Ass.Prof Le Thi Anh Thu was a distinguished professional with extensive experience and a profound commitment to the field of infection control and sterilization. As the Founder and President of the Vietnam Infection Control Society (VNICS) and the Ho Chi Minh City Infection Control Society (HICS), she had been instrumental in advancing sterilization sciences in Vietnam.

Professor Le Thi Anh Thu had served as the Chief of the Infection Control Department and Chief of CSSD at a tertiary care hospital in Vietnam for over 20 years. Her expertise spanned across infectious diseases, hospital epidemiology, infection control, and sterilization, with over 25 years of dedicated service. She had been a key consultant for the Vietnam Ministry of Health and a respected educator at Pham Ngoc Thach University of Medicine.

Her contributions to the field were numerous and significant. She had participated in the National Writing Committee to develop guidelines and policies for the Ministry of Health, led critical research projects in sterilization and infection control, and authored more than

65 publications and books. Furthermore, she had been an invited speaker at over 20 international congresses, including Medllab, Asia Health, APSIC, APCCMI, and WPRO.

With her current roles and extensive experience, I am confident that Associate Professor Le Thi Anh Thu would be an invaluable asset to the WFHSS Executive Committee. Her leadership, knowledge, and dedication to infection control and sterilization would greatly support WFHSS's mission and goals, not only in Vietnam but also across the Asia region.

Thank you for considering this nomination. I am certain that Ass.Prof Le Thi Anh Thu would bring exceptional expertise and enthusiasm to the Executive Committee. I look forward to the possibility of her contributing to your esteemed organization.

Sincerely,

Nguyễn Thị Thanh Hà

Nguyen Thi Thanh Ha
