

Letter of motivation for joining the executive committee of WFHSS

WFHSS Executive Committee

Dear Members of the WFHSS Executive Committee,

I am writing to express my sincere interest in joining the executive committee of the World Federation for Hospital Sterilization Sciences (WFHSS). With a strong background in CSSD management and have more than 25 year experience , coupled with my passion for advancing sterilization science and improving healthcare standards, I am eager to contribute to the mission and goals of WFHSS.

Throughout my career, I have been dedicated to promoting the highest standards of infection control and sterilization practices. My experience as Sr Manager CSSD and founder of CSSD training program in Pakistan, where I was responsible for day by day quality work in CSSD promoted CSSD diploma and certifications locally and Internationally (CRCST, CBSPDT) and now I completed my paper work to get Affiliation with HealthCare university to Start BD training program in CSSD (bachelor in CSSD Technology first time in Pakistan and Asia, this has equipped me with the knowledge and skills necessary to effectively support the objectives of WFHSS. I have consistently demonstrated a commitment to excellence, innovation, and collaboration in all my professional endeavors.

I am particularly drawn to WFHSS's mission of fostering global cooperation and sharing best practices in sterilization sciences. I believe that by working together, we can overcome challenges and make significant advancements in this critical field. My goal is to bring my expertise and enthusiasm to the executive committee, contributing to the development of strategic initiatives, educational programs, and policy advocacy efforts that will benefit both our members and the broader healthcare community.

In addition to my professional qualifications, I possess strong leadership, communication, and organizational skills. I have successfully led multidisciplinary teams, managed complex projects, and established productive relationships with stakeholders at all levels. These experiences have honed my ability to navigate diverse perspectives, build consensus, and drive positive change.

I am excited about the opportunity to join the WFHSS executive committee and collaborate with esteemed colleagues who share my dedication to advancing sterilization sciences. Together, I am confident that we can make a lasting impact on the quality and safety of healthcare worldwide.

Thank you for considering my application. I look forward to the possibility of contributing to the important work of WFHSS and helping to shape the future of our field.

Sincerely,

Sarfaraz Ghulam
