

探秘无菌保障防线 共筑医疗安全屏障

Exploring the Sterile Supply System, Building a Stronger Barrier for Patient Safety

—江苏大学附属医院 CSSD 世界灭菌科学日开放日活动圆满落幕

CSSD Open Day at the Affiliated Hospital of Jiangsu University

四月春和，暖意融融，为迎接 4·10 世界灭菌科学日，进一步搭建科室沟通桥梁，普及科学灭菌知识，筑牢医院感染控制防线，4 月 10 日，江苏大学附属医院消毒供应中心精心举办的“科学灭菌·无菌护航·开放‘供’赢”主题开放日活动圆满落幕。本次活动秉承精准邀约·匠心共鉴·专属观摩的方式，特邀请医院部分领导、临床科室同仁及服务机构代表走进消毒供应中心，近距离探秘无菌物品保障的幕后工作，共话医疗安全建设。

With the arrival of the International Day of Sterilisation Sciences on April 10, the Central Sterile Supply Department (CSSD) of the Affiliated Hospital of Jiangsu University hosted an Open Day event under the theme “Scientific Sterilization · Ensuring Safety · Open CSSD, Shared Excellence.” The event aimed to strengthen communication across departments, promote understanding of sterile supply, and reinforce infection prevention and control. Hospital leaders, clinical staff, and representatives from partner organizations were invited to visit the CSSD and gain firsthand insight into the sterile supply procedures.

一、签到入场环节 Registration and Entry

1. 执笔留名，共鉴匠心：签名墙前落笔留念，定格相聚时刻，以开放之姿，共赴无菌守护之约。

Sign-in: Participants were invited to sign the event wall and leave their names, capturing the moment of staying together.

2. 规范防护，安全探秘：更换隔离衣、鞋套、帽子，领取专属徽章，正式开启无菌保障之旅。

Standard Protection for a Safe Visit: Before entering, participants changed into protective gowns, shoe covers, and caps, and received personalized badges, formally beginning their journey into the sterile processing environment.

3. 以细节迎宾客，以专业赴邀约：消毒供应中心开放日现场，有序开启沉浸式参观。

Attention to Detail: With careful organization and professional guidance, the CSSD Open Day proceeded in an orderly manner, offering participants an immersive tour experience.

二、活动致辞环节 Opening Speech

1. 致辞启幕，共话安全：护士长为开放日活动致辞，消毒供应中心作为院感质控的幕后科室，为筑牢院感防控坚守第一道防线。

Opening Remarks: The head nurse delivered the opening remarks for the Open Day. She emphasized that the Central Sterile Supply Department (CSSD), as an invisible unit in infection prevention and quality control, serves as the first line of defense in hospital infection control and patient safety.

2. 以科学为基，以无菌为盾：「科学灭菌·无菌护航·开放‘供’赢」主题开放日，正式拉开帷幕！

Guided by Science: The Open Day, themed “Scientific Sterilization · Ensuring Safety · Open CSSD, Shared Excellence,” was officially launched.

三、去污区参观环节 Decontamination Area Tour

1. 首道防线，严苛守护：走进去污区，沉浸式了解器械回收、清洗、消毒全流程，见证每一件器械的“洁净蜕变”。

First Line of Defense: Participants entered the decontamination area and gained an immersive understanding of the full workflow of instrument collection, cleaning, and disinfection, witnessing the transformation of instruments from contamination to cleanliness.

2. 细节见匠心，流程显专业：讲解员细致拆解去污区操作规范，让临床同仁读懂无菌保障的第一步。

Process Demonstrates Professionalism: Detailed explanations were provided on standard operating procedures in the decontamination area, helping clinical staff better understand the first critical step in sterile processing.

3. 标准保质控，专业见真章：从“污染”到“清洁”，每一步都有标准，去污区参观现场，近距离感受消毒供应的严谨与专业。

Standards Ensure Quality: From contamination to cleanliness, every step follows strict standards. During the visit, participants gained a close-up view of the rigor and professionalism embedded in decontamination processes.

四、清洁区参观/互动体验环节 Clean Area Tour and Interactive Session

1. 零距离探秘：清洁区模拟包装体验，亲身感受器械包装的精准与细致，读懂幕后匠心。

Close-Up Exploration: Participants engaged in a simulated packing in the clean area, experiencing the precision and attention required in instrument packaging and gaining insight into the behind-the-scenes work of sterile processing.

2. 全流程质控不松懈：走进清洁区，检查、包装、灭菌、发放，全方位了解无菌物品的标准化管理。

Quality Control Maintained Without Compromise: Participants entered the clean area and gained a comprehensive understanding of standardized management including inspection, packing, sterilization, and distribution of sterile items.

3. 探无菌核心：近距离查看灭菌监测结果、物品标识，筑牢医疗安全底线。

Exploring the Core of Sterility Assurance: They also reviewed sterilization monitoring results and labeling systems, reinforcing understanding of quality control measures.

4. 互动答疑，互通有无：针对临床关切问题现场解答，拉近科室距离，共促协作提升。

Interactive Session: A Q&A session provided an opportunity to address clinical concerns, promote communication, and enhance collaboration between departments.

五、全体合影环节 Group Photo

活动结束后，全体人员定格瞬间，共赴共赢，大家身着防护服、佩戴专属徽章，合影留念，定格开放日珍贵时刻。

At the conclusion of the event, all participants gathered for a group photo, capturing the shared experience of the Open Day.

六、活动总结 Summary

江苏大学附属医院消毒供应中心开放日活动圆满落幕，通过活动，大家开放互通，共筑安全，以开放日为纽带，搭建科室沟通桥梁，守护患者诊疗安全。

The CSSD Open Day concluded successfully, fostering greater understanding and communication across departments. By opening its doors, the CSSD strengthened collaboration and reinforced its role in safeguarding patient safety through high-quality sterile processing.
