世界医院灭菌科学联盟(WFHSS)将每年的4月10日设定为“世界灭菌科学日”，号召全球的消毒供应中心在这一天对外开放，宣传器械再处理的全过程以及相关灭菌科学知识，促进各个国家和地区消毒灭菌学会间的合作、交流信息并分享知识经验，促进沟通，增进信任。The World Federation for Hospital Sterilisation Sciences (WFHSS) designates April 10 as the International Day of Sterilisation Sciences, calling on the global CSSDs to open their doors and promote the reprocessing process and sterilization science. This aims to promote cooperation, communication and sharing of experiences among CSSDs in different countries and regions and enhance trust.

为响应 WFHSS 的号召，2023 年 4 月 4 日由彭州市第二人民医院·成医附院彭州分院主办、中国卫生监督协会消毒与感染控制专业委员会基层医疗机构消毒供应学组、成都市消毒

供应医疗质量控制中心协办的以“沟通协作，共筑安全”为主题的消供开放日活动，在彭州市第二人民医院消毒供应中心成功举办。

In response to the call of WFHSS, on April 4, 2023, an Open Day event with the theme of “Communication and cooperation, Building patient safety together” is held at the Pengzhou Second People’s Hospital • Pengzhou Campus of the First Affiliated Hospital of Chengdu Medical College. This event is co-organized by Primary Level Sterile Supply Study Group of the Disinfection and Infection Control Committee of the China Health Supervision Association and the Chengdu Sterile Supply and Medical Quality Control Center.

本次消供开放日活动得到了医院领导、护理部、院感科、临床科室及周边各级医疗机构的大力支持。开放日当天参加活动的有彭州市第二人民医院院长徐志鹏、护理部主任林蜜、院感主任苟小婕、临床科室护士长 15 人、彭州周边区域医疗单位代表 16 人，消毒供应中心护士 5 人，参与人次共计 40 人。

This event has received strong support from the hospital leadership, nursing department, infection control department, clinical departments and surrounding medical institutions at all levels. Xu Zhipeng, dean of the hospital, Lin Mi, director of nursing department, Gou Xiaojie, director of infection control department, 15 head nurses of clinical departments, 16 representatives of medical units in surrounding areas, and 5 nurses of CSSD, with a total of 40 participants.

活动前期准备 Preparation

本次消供开放日活动前期，消毒供应中心制作了电子邀请函，特邀了彭州周边各级医疗机构代表及临床各科室医护人员，宣传本次活动的主题及意义。在医院门诊大厅及科室楼层摆放宣传海报，让更多人知道本次活动。

In the preparation stage of this Open Day event, the CSSD made an electronic invitation letter, inviting representatives of medical institutions at all levels around Pengzhou and staff from various clinical departments to promote the theme and significance of this event. They also placed promotional posters in the outpatient hall and department floors of the hospital to make

more people aware of this event.
